Property Description

The subject property is a two-story slab on grade commercial building in good condition for its age (built in 1973). The building hosts a combination of carpet, sheet vinyl and ceramic tile flooring, with interior ceiling heights of approximately 9 feet with finishes of Tbar and acoustic tile. The interior demising walls are painted drywall. The building has a concrete block wall on the west property line that adjoins the adjacent commercial building. The remaining exterior walls are wood frame with stucco and brick veneer which have recently been painted. There is space for four parking spaces and a garbage bin located on the south side of the building.
